Subject: Yr 11 RFP's`

Hi Martin,

Can you please send me the RFP's for Imhotep and Nueva Esparanza? Imhotep's 470 said contact you and I wasn't able to access the link for NEA.

Thanks,
Mike

Bill,

as requested, attached are 2 rfps.

On Mar 16, 2007, at 12:05 PM, Bill Fedak wrote:
**** Request to be added to technology bid list**

Access - Interactive has worked closely with K-12 public and private schools for over 10 years, providing everything from computer hardware to IP phone systems to custom developed application software.

If we are not already on your bid list for your technology purchase requirements, please consider adding us as a prospective vendor for computers (workstations, servers, laptops, peripherals), network electronics, IP telephony, software and software development.

I would sincerely appreciate it if you could mail, email or fax me any current or future bids for computer technology.

About us: Access-Interactive, based in Novi, Michigan, is a \$15+ million value-added reseller, technology integrator and solutions provider. Access has been in business since 1985 – over 20 years. Our staff includes 20 full-time technicians including Microsoft, Novell, Cisco and Citrix certified system engineers. I've personally been with the company for over 10 years now and have worked almost exclusively with K-12 public and private

schools and public libraries.

We are committed to the educational market and have worked with hundreds of school districts and libraries from across the country. We understand the unique challenges and characteristics facing school districts and particularly technology leaders in school districts and have built our business around helping our customers

Our vendor partners for desktops, notebooks and servers include IBM, Lenovo, Hewlett-Packard (Compaq) and Acer. We are also authorized partners for Cisco, Citrix, Microsoft, Novell, 3COM, Cymphonix and Barracuda Networks (just to name a few...).

Our products and services include:

- . Desktops, laptops, network servers, tablet PCs
- . Computer peripherals and accessories
- . LAN/WAN networking (design, deployment, support)
- . Citrix and Microsoft thin-client solutions
- . Network electronics (routers, switches, hubs ...)
- . Voice-over-IP telephony (Inter-Tel and Cisco)
- . Wireless networking (including mobile notebook labs)
- . Network and premise security (including IP network cameras)
- . Upgrade and replacement parts
- . Off-lease desktop and laptop computers
- . On-site and depot computer service

For more information on us, please visit our website at: www.access-interactive.com

Thank you in advance for the opportunity to provide technology for your school district!

Please call me at (248) 567-3028, or send an email at bfedak@sysstime.com if I can be of any assistance.

Thank you. Have a great weekend!

Best Regards,

Bill Fedak

For each of the schools, with the exception of Imhotep, you would have to contact the contact person listed on the 470 for that permission.

M

On Dec 11, 2007, at 12:14 PM, Mike Campanella wrote:

Martin,

For the schools listed below, in order for MTG to participate in several projects we would have to enlist the services of a cabling subcontractor.

Atlantic City Public Schools
Harambee CS
Imhotep Institute Charter HS
Imani CS
Ranch Hope School for Boys
Wildwood SD

The projects we would need to subcontract cabling services vary from school to school. Below is a list of the project/cabling service MTG would need to subcontract to complete the project(s).

Internal Cabling
Wire & Cable Maintenance
PVBX – Install cabling to a device such as a camera, TV etc.
Wireless LAN – Install cable to wireless AP

Could you submit MTG's request to subcontract cabling services to the appropriate person at each school/district?

Thank you very much for your consideration.

Mike

Subject: Re: MTG Request to Subcontract Cabling Services

Martin,

I hate to be a pain, but just want to make sure I'm following protocol to ensure all of our bases are covered. With regards to Imhotep, am I to assume that you, as their Technology Coordinator have issued MTG permission to subcontract cabling services via this email response? Do I need to include a copy of this email in attachment #6, "Other Information" as proof that such permission has been granted? Is an email response sufficient from other schools/contact people as well?

Thank you again,
Mike

Mike,

For each of the schools, with the exception of Imhotep, you would have to contact the contact person listed on the 470 for that permission.

Martin,

For the schools listed below, in order for MTG to participate in several projects we would have to enlist the services of a cabling subcontractor.

Atlantic City Public Schools
Harambee CS
Imhotep Institute Charter HS
Imani CS
Ranch Hope School for Boys
Wildwood SD

The projects we would need to subcontract cabling services vary from school to school. Below is a list of the project/cabling service MTG would need to subcontract to complete the project(s).

Internal Cabling
Wire & Cable Maintenance
PVBX – Install cabling to a device such as a camera, TV etc.
Wireless LAN – Install cable to wireless AP

Could you submit MTG's request to subcontract cabling services to the appropriate person at each school/district?

Thank you very much for your consideration.

They are the listed contacts on the Forms 470.

AC - Marilyn Cohen - mcohen@acboe.org

Harambee - Carmen Levere - clevere@harambeecs.org

Imani - Rhonda Anderson randerson@imanicircle.org

Ranch Hope - Dave Bailey - dbailey@ranchhope.org

Wildwood - Greg Rohrman - grohrman@wildwooddistrict.org

Martin,

Is it inappropriate for me to ask you for the contact people's email address and/or phone numbers for the schools listed below? We obviously know Marilyn in AC, but have done very little business with the other schools the last several years due to the selective review process that has held them up. We appreciate any assistance that you're able to provide.
